SUBJECT: Volunteer Award

On behalf of the Great Rivers Affiliate Nominating and Leadership Development Committee, it is my pleasure to inform you that you have been chosen to receive the Distinguished Achievement Award for 2007-2008. The Great Rivers Affiliate serving Delaware, Kentucky, Ohio, Pennsylvania, and West Virginia recognizes the outstanding contribution you have made to our mission.

This award is to recognize an individual, group or organization who has contributed significantly to the success of the Great Rivers Affiliate or its divisions. It is intended to honor an individual for exceptional and outstanding contributions to the advancement of the American Heart Association's mission of reducing disability and death from cardiovascular diseases and stroke in Delaware, Kentucky, Ohio, Pennsylvania, and West Virginia.

You have been very instrumental in helping the American Heart Association communicate the importance of heart health to the Dayton Community in so many ways. You were the creator of the HeartWorks at Miami Valley Hospital, serve as a media spokesperson for campaigns, serve on the Heart Walk Sponsorship Committee and conduct seminars on heart disease. If the voices of the patients, families, communities and other AHA volunteers could be heard they would share that seeing the smile and hearing the laughter of the people who are healthy as a result of your dedication can never be measured but only felt and held within their hearts.

Serving Delaware, Kentucky, Ohio, Pennsylvania & West Virginia.
 Please remember the American Heart Association in your will.

In an attempt to acknowledge these efforts, the Great Rivers Affiliate would like to recognize you with this award. You will be contacted by Kelli Dixon, Dayton Executive Director, with the date, time and location for the presentation of your award.

If you have any questions, please contact Sharon Lafferty, Special Projects Manager, at the Camp Hill office, (717) 730-1742 or via email at Sharon.Lafferty@heart.org.
